

Buiteurse aktiwiteite:
Extra mural activities:

Ons het buitemuurse aktiwiteite wat aangebied word deur verskeie mense. Gelde word direk aan hulle betaal, maar die aktiwiteit vind pless by die skool gedurende skoolure. Demos vind plaas in die eerste kwartaal van die jaar, en pamflette word sodoende huis toe gestuur. Buitemuurse aktiwiteite wat aangebied word by Ladybird verander van jaar tot jaar.

We have extra mural activities that are presented by various institutions. Fees are paid directly to them, but the activity takes place at school during school hours. Demos are done in the first term and pamphlets will be sent home. Extra mural activities that are available change from year to year.
